

## Iowa State University Approved Caterers/Vendors

While the university recommends ISU Catering for catering needs, the following is a list of other Authorized Caterers/Vendors for ISU departments and organizations to select from when holding events at ISU. Please note that alcohol service requires additional approval and must be coordinated through the [Office of Risk Management](#).

ISU requires that all vendors providing food/alcohol services at an ISU facility meet minimum requirements. Vendors not on the list are not allowed to cater events at ISU facilities until they provide the required documents. It is not ISU's intent to exclude any vendor from providing services to ISU, but rather to ensure the safety of our students/staff and all other parties involved. For information on becoming an Approved Vendor/Caterer [click here](#) or contact Risk Management at orm@iastate.edu or (515) 294-7711.
